# TRAVIS KONECNY

A dynamic forward from Clachan, ON known for his speed, skill, and leadership. After serving as Captain of the Ottawa 67's, Konecny came to Sarnia following a blockbuster trade between the Sting and 67's in January 2016. The city grew with excitement upon Konecny's arrival as he quickly became a fan favourite from his combination of skill and tenacity. In just 23 regular season games with the Sting, the Philadelphia Flyers prospect tallied 23 goals and 33 assists for 56 points, a 1.7 point per game rate.

The following season the former 67's and Sting star was able to crack the National Hockey League's Philadelphia Flyers lineup at just 19-years-old. At the time of this publication he has since become a cornerstone of the Flyers' lineup. Known for his offensive creativity, tenacity, and clutch performances, Konecny has consistently been among the team's top scorers, earning NHL All-Star honors in 2020 and representing Canada on the international stage.

Although his stop in Sarnia may have been short, he left a memorable impact and remains a proud alumnus of the Sting organization.
